NOTES

1. Individual members must be registered as Professional Engineers or EITs. Associate members (Technologists, Students, and others) are entitled to all benefits of membership except that they may not vote at meetings of the SEABC Society. The membership fee for students is waived.
2. Under the Society Act of BC, SEABC is required to keep a register of the names and addresses of its members. Email addresses will be used for mailing the Newsletter and society notices. In accordance with the Canada Privacy Act, names and addresses will not be made available to the public.
3. Any member who is interested in participating in the work of SEABC by serving on one of the operating committees, is asked to contact SEABC through the website at www.seabc.ca
